Pick a Project

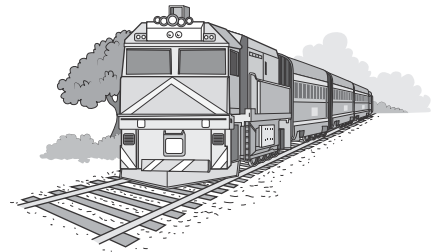

Project 8A

All Aboard!

Trains travel all around the country. Some trains carry things. Some are for people to ride in.

Have you been to a train museum? You can learn about trains. You might ride a train when you visit.

TRAIN SCHEDULE

ARRIVALS

Blue Lake 4:30 p.m.

Mid City 4:30 p.m.

DEPARTURES

Blue Lake 4:45 p.m.

Mid City 4:45 p.m.

Train museums might have a table, or schedule, to show when the trains come and go. The arrival time is when the train comes in to the station. The departure time is when the train leaves the station.

Your Project Make a Train Schedule Poster

Have an adult help you find a train museum schedule. Make a train schedule poster. Show at least 4 arrival times and 4 departure times for one day. Show each time on a clock face with hands. Write the times two ways using numbers and words. Include a.m. or p.m.

Train Schedule for _____

Departures

Arrivals

10 past 5

5:10 p.m.

How Much Does It Cost?

We use money to buy things. We can buy clothes, food, and books.

Many things cost a number of dollars or a number of cents. You must pay that amount to buy something.

You can use different ways to pay. Some people pay with cash. Other people pay with credit cards.

Your Project Create an Advertisement

Find the price of something you would like to buy. Make an advertisement. Show the item and write the price in dollars or cents. Draw the dollar bills or coins to show two different bill or coin combinations for the item. Write the change you will get if the way you pay is more than the cost of the item.

ROYAL SPEEDSTER INLINE SKATES

The fastest wheels around!
Roll, glide, spin, and stop on a dime!

BUY NOW!
\$35

Ways to Pay

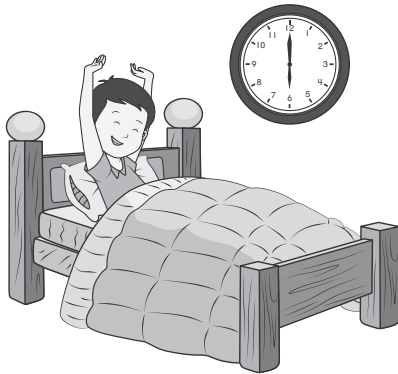

You will get \$5 change.

What Time Is It?

Time helps us keep track of our lives. It helps us know when to get up and when to go to bed.

Some things happen at the same time each day. Other things may happen at different times during the week.

LUNCH 12:30

READ 1:15

RECESS 1:45

MATH 2:20

It can be helpful to plan what you want to do each day. Many people like to make a schedule.

Your Project Write a Daily Journal

Keep a journal for 4 days. Include one weekend day. Record what you do at 8:15 a.m., 12:30 p.m., and 6:45 p.m. each day. Write a sentence and draw a picture for each time. Show the time in words and on a clock.

At quarter after 8 in the morning, I ate breakfast.

Open for Business

Customers are people who shop and pay for items at stores. There are food stores, shoe stores, and clothing stores.

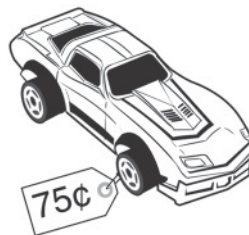

In some stores, workers put price tags on the items for sale. In other stores, the prices are printed as bar codes on the items.

Cashiers scan or enter prices into a cash register. They tell each customer the total amount he or she owes.

Your Project Set Up a Store

Choose 20 items to sell at your store. Make a price tag for each item. Things should cost less than \$1. Have people shop using play money. Find the total number of coins that could be used to pay for the items.

Coins	
Quarters =	2
Dimes =	9
Nickels =	
Pennies =
